

Lead the Way. Leave a Legacy.

Your planned gift leaves a legacy that creates hope by nourishing, empowering and healing neighbors in need.

Your gift to Community Resource Center helps in a powerful way. You make it possible for individuals and families to access healthy food, for a family experiencing homelessness to move into housing, for a mother and her children to escape violence through the safety of our shelter.

Below are some ways you can partner with CRC to make an impact in our community while meeting your financial and charitable giving goals.

- Gifts of cash, including payroll deduction, recurring gifts and employer match
- Gifts of appreciated securities including stocks, bonds and mutual funds
- Beneficiary designations through retirement plans, life insurance, donor-advised funds, bank and brokerage accounts
- Charitable bequests through a will or living trust
- IRA charitable distributions
- Charitable gift annuities
- Charitable remainder trusts and charitable lead trusts
- Gifts of real estate

We encourage you to consult with your attorney, financial advisor, tax professional or estate planner to determine what approach is right for you.
