

# Give Today. Shape Tomorrow.

**Your support today helps build a future where every neighbor has access to healthy food, stable homes and safe relationships.**

Your gift to Community Resource Center helps in a powerful way. You make it possible for individuals and families to access healthy food, for a family experiencing homelessness to move into housing, for a mother and her children to escape violence through the safety of our shelter.

## **Planned giving can begin earlier than many people realize.**

There are simple, flexible ways to support CRC now while building a legacy for the future. Below are some ways you can partner with CRC to make an impact in our community while meeting your financial and charitable giving goals.

- **Gifts of cash, including payroll deduction, recurring gifts and employer match**
- **Gifts of appreciated securities including stocks, bonds and mutual funds**
- **Beneficiary designations, through retirement plans, life insurance, donor-advised funds, bank and brokerage accounts**
- **Charitable bequests through a will or living trust**

*We encourage you to consult with your attorney, financial advisor, tax professional or estate planner to determine what approach is right for you.*
