CREATING PARTNERSHIPS FOR SAFETY, STABILITY & SELF-SUFFICIENCY

ANNUAL REPORT 2017
FISCAL YEAR 2016-2017
DEAR SUPPORTERS & FRIENDS OF CRC,

As you read through this annual report for Fiscal Year 2016-2017, I hope you get a sense of the level of support that makes it possible for Community Resource Center to change so many lives in our North County San Diego community.

Domestic violence, hunger and homelessness are real issues and CRC is a key organization addressing them in our community. We are reminded every day that we are stronger when we tackle these issues together. Together, we can help people not only meet their most critical and basic needs, but also provide them with a helping hand so they can succeed.

Volunteers, donors, grantors, community and civic organizations, municipal government officials, schools, corporations, faith-based organizations … without the partnership and support of these individuals and groups, we could not help so many people suffering from hunger, homelessness and domestic violence.

During this fiscal year, more than 1,000 active volunteers donated over 23,000 hours to CRC, helping with events, assisting participants in our Food & Nutrition Center and during Holiday Baskets, and contributing in many other ways. Their efforts are impressive and humbling.

CRC appreciates the many who fundraise on our behalf, including these inspiring examples:

• EXPOSURE Skate, an annual women’s skateboarding competition, raised $10,000 for our domestic violence shelter at their November 2016 event.
• San Dieguito Academy students donated over $3,819 in proceeds from their Theatre for a Cause event in March 2017.
• Encinitas Scouts Pack 774 collected more than 580 pounds of food and funds during their Scouting for Food Challenge in April 2017.
• The Interfaith Community and Cardiff Church of Jesus Christ of Latter-day Saints hosted a Food Drive in April 2017 and collected over 17,100 pounds of food and 1,300 pounds of personal care and other items.

The board and staff of CRC are honored to serve with our volunteer teams as we provide food and critical resources to our fellow community members in need.

Thank you for all you do to support CRC!

ABOUT US

Creating paths to safety, stability and self-sufficiency ...

Community Resource Center (CRC) is a nonprofit organization that works to end hunger, homelessness and domestic violence in North County San Diego. We partner with our community, organizations, corporations and volunteers to support participants as they navigate their paths to safety, stability and self-sufficiency.

Serving the North County Coastal community since 1979

In 1979, after seeing so many in need, a group of community and business leaders came together to form an organization addressing the homelessness and food insecurity in the community, forming Community Resource Center (CRC).

Over the past 39 years, CRC has grown from providing basic needs for families in crisis to offering integrated programs that facilitate the safety, stability, and self-sufficiency of those in need in our community.

Annie found help at CRC and began receiving critical resources, including legal aid, financial education, case management and a rent deposit for housing. HOLIDAY BASKETS

Brightening the holidays …

Holiday Baskets is the largest distribution program of its kind in San Diego County and provides a dignified and free “shopping experience” for those who might otherwise receive nothing for the holidays. Since 1982, CRC has distributed food, clothing, toys, blankets and other items for low-income families, seniors and homeless individuals.

Holiday Baskets is made possible through the support of over 1,000 volunteers, who donated over 4,300 hours, local community groups, businesses and sponsors. Holiday Baskets enables individuals and groups in our community to make a real difference, and in many cases, to teach their children the value of volunteering.

“Holiday Baskets was critical to my daughter and me ... to have warm jackets and holiday food.”

Safety. Food. Clothing. A warm bed. These were the things Helen needed for her young daughter after fleeing an abusive relationship. Helen came to Community Resource Center in need of food for her daughter, and received much more than that through our case management, job training, and counseling programs. Today, Helen has a full-time job, a home for her family and last was recently named Employee of the Month! Helen says, “CRC saved my life. To this day, when I look at how I got my life back, it started with being in the line for food.”

OUTCOMES

Over 41 tons of healthy food was distributed, including staple items, eight tons of fresh produce, and food for a holiday meal.

3,071 people received food, necessities and gifts for the holidays, including 1,591 children and 256 seniors.

3,500 coats
800 blankets
1,500 infant clothing items

5,000 toys
424 bicycles
1,000 books
1,000 stuffed animals
JINGLE & MINGLE

Jingle & Mingle is a fundraiser party held for Holiday Baskets. During Jingle & Mingle, guests can experience a behind-the-scenes look at Holiday Baskets before the program begins and participate in interactive tours with key volunteers.

ENGLISH TEA

CRC’s annual English Tea, a traditional tea luncheon held every spring, is a benefit fundraising event to support our domestic violence program, as well as all of our other programs which provide services to victims of domestic violence: counseling, case management, food, legal advocacy and more.
FINANCIALS

What is CRC’s real impact?

This annual report is filled with outcome statistics and participant stories, illustrating how CRC supports those in need in our community on their individual paths to safety, stability and self-sufficiency. But it is important to understand the other ways that CRC has an impact:

By helping a victim of domestic violence find safety and stability away from their abusive situation, CRC reduces the potential need for intervention by law enforcement, reduces the likelihood the victim will require medical treatment, and helps the victim to return to the workforce and become self-sufficient.

By helping provide nutritious food to a hungry individual, CRC provides support to improve their physical health, eases the financial situation so that food isn't sacrificed to pay rent or utilities, and helps to ensure that children can get the nutrients they need to grow.

By helping homeless families with housing, CRC helps provide a stable environment, so they can realize their full potential as members of our community.
