A Legacy of Hope
Planned Giving

CRC
Community Resource Center
Leave a legacy of hope for your neighbors in need.

Your planned gift to Community Resource Center ensures a future when we will still be helping our neighbors in need create paths to healthy food, stable homes and safe relationships.

Nourish  Empower  Heal
Since 1979, Community Resource Center has grown from providing basic needs for families in crisis, to offering a safety net of services to neighbors who need help on their path to healthy food, stable homes and safe relationships. CRC is the primary provider of social services and domestic violence programs in coastal North County San Diego, serving more than 6,000 individuals annually.
