FUNDRAISING TOOLKIT

Thank you for your interest in raising funds to support CRC!

Community Resource Center (CRC) is a nonprofit organization that works to end hunger, homelessness and domestic violence in North County San Diego. CRC's programs include a domestic violence emergency shelter, hotline and prevention/education outreach, a Therapeutic Children's Center, professional counseling, legal advocacy, tax preparation, food distribution center, homelessness prevention and rental and housing assistance.

All of CRC's programs are designed to assist participants in successfully navigating paths to safety, stability & self-sufficiency. Through our mission and programs, CRC strives to empower, transform, guide and nourish our program participants.

Anyone can be a lifeline of help: a volunteer, a donor or third party event planner. Use this toolkit as a guide to help you plan a fundraising event in your community. Tips, tools and templates are included to help you succeed. If you have any additional questions about third party fundraising for CRC, please contact the team in our Development Office at development@crcncc.org or (760) 230-6307.

This toolkit will ...

- Give you ideas of various types of fundraising events.
- Help you get started planning a successful fundraiser.
- Give you examples for promoting your fundraiser via local and social media.

We wish you and your team a successful event and thank you for supporting CRC's mission!

WHY SUPPORT CRC?

Facts on Why the Need is Great ...

- **One of every eight people living in the North County region of San Diego County – 12.1% of the population – lived in poverty in 2015.** The poverty rate varied across North County cities from 5% to 19.2%. For the entire North County area, 16% of children lived below the poverty line. That means that the North County San Diego region is home to more than 103,000 men, women, and children who live below the federal poverty level (FPL), out of a population of 854,200 in the region. The poverty rate remained higher than before the 2008 recession. In 2015, a family of four was below the FPL with an annual income below \$24,036. ([Center on Policy Initiatives, December 2016](#))

FUNDRAISING IDEAS

FRIENDS, FAMILY & NEIGHBORS

Bake Sale: Encourage family and friends to bake their favorite treats, and then sell them in a public area where there are potentially a lot of hungry people.

Spaghetti Dinner or Barbecue Picnic: Organize a spaghetti or barbecue dinner. Sell tickets to dine and give a portion of the proceeds back to CRC. Combine the event with a silent auction to raise even more money and draw more people to your event.

Crowd Funding: Utilize websites like GoFundMe or CrowdRise to reach out to friends and family for financial contributions. An account is easy to set up and manage.

Spa Day Event: Partner with your favorite spa or salon. Schedule a large group of attendees to visit a spa on pre-determined date, encourage your spa to donate 10-15% of the proceeds from your day of beauty back to *A Hand Up*

50/50 Raffle: Sell raffle tickets. The proceeds from the raffle will be evenly split between the raffle winner and CRC.

Plays / Concerts: If you belong to a theater or musical group, consider presenting a performance and committing all or a portion of your proceeds to CRC.

RETAIL & RESTAURANTS

Retail Fundraising: Partner with local retailers to raise funds by either encouraging a portion of the proceeds from the sale of store items to go back to *A Hand Up* or encourage customers to round up their bill to the nearest dollar. The difference in change will be donated back to *A Hand Up*.

Restaurant Night: Engage local restaurants to donate a portion of their proceeds from certain days and times back to *A Hand Up*. Many restaurants already have fundraising programs in place. Be sure to inquire about their rules and guidelines when organizing a restaurant night event.

Golf for Charity: Team up with a local golf course and hold a golf tournament. For an even easier fundraiser, hold the event at a miniature golf center!

Silent Auction: Obtain donated items from local businesses or through websites like Donationmatch.org and auction them off to the highest bidder. Be sure to follow California state auction guidelines and submit contributions with a silent auction tracking sheet.

Food Truck Lunch: Book one (or several!) food trucks. Assign a day for your food truck event and encourage others to buy lunch from the vendors. Many food truck vendors will give back a certain percentage of their sales to nonprofits.

FUNDRAISING IDEAS

CORPORATE TEAM BUILDING

Team building can help companies build trust, encourage communication and increase collaboration among employees. Help improve company morale, while giving back through CRC's team building activities!

Giving Competition: Generate a friendly competition among employees to raise funds for CRC! CRC can help you set up a website page to make the process easier.

Casual Fridays: Wear jeans to work on Fridays. Employees and staff can donate a small contribution to the company's fundraising drive for CRC.

Karaoke Night: Organize a karaoke event. Participants pay to sing or others can pay to watch certain individuals to sing.

Neighborhood Party: Plan a block party with your neighbors. You can charge to play games, sell food off the BBQ, have folks pay to enter to win a contest (e.g., tackiest t-shirt or best hat). You'll connect with your neighbors while raising funds for CRC!

Book Sale: You can sell secondhand books. The proceeds can be sent to CRC, and the unsold books can be donated to a CRC resale store. We'll sell the books to raise even more money!

Ice Cream Social: Host an ice cream social at your workplace and ask your CEO or other executives to serve. Employees can donate to CRC in exchange for a hot fudge sundae served by their boss!

Walk for CRC: Host a walk-a-thon, which can be a large one-day event or something your company does over a period of days or months. Your colleagues can compete as individuals or teams for raising the most funds (e.g., \$5 per hour walked, or \$5 per mile walked. You can walk during lunches, use company provided volunteer time off or after work. At the end of the designated time period, everyone provides their stats to determine who walked the most and raised the most!) This is a great event idea if your company has a Wellness initiative – you'll all get moving and raise money for CRC, at the same time!

Bowl-a-thon: This would be another great one to combine with a wellness program! Departments or teams can compete for best scores and highest amounts raised from friends and family.

Contact us at Development@crcncc.org or (760) 230-6507 with any other fundraising ideas you might have. We would love to discuss them with you!
